To all our 10-month employees, welcome back! To our 12-month employees, thank you for your hard work this summer preparing for the new school year!

We look forward to seeing you at our upcoming virtual General Meeting, September 16 @ 5 pm. Our October General Meeting will be in person! We will have snacks and door prizes. Save the Date: October 21 @ 5pm, location TBD.

CUPE 1260 is joining with other locals and the CUPE K-12 Presidents' Council in presenting the "Anti-Violence Letting Signing Campaign" to all our CUPE 1260 members. This is an important initiative to make it crystal clear to BC's next Minister of Education that our schools' support staff require proper funding of the school system to address the violence in schools along with other pressing issues facing our members. Our Site Liaisons and Executives at Large will be distributing the information to access and sign the letter that will be presented to our next Minister of Education. Our hope is that all members will be open to listening and learning about this initiative. After you read and sign the letter, you can enter a prize draw!

CUPE local 1260 actively supports and participates in recognizing the federal National Day for Truth and Reconciliation. [Ways to Engage in Truth and Reconciliation](#)

We encourage all our members to take part in our democratic election process this October. [Register to Vote](#) It impacts every one of us.

*Have an awesome and inspiring September! - Jessie and Marlene*
